Special request info, you want me to be aware
of _____

Please note we can not promise eye color of puppies as color changes as the puppy gets older. Also be sure you **understand the Aussie breed and their need for exercise**. We also reserve the right to not place a puppy in a home for any reason. Additionally, we recommend and feed our pets Life's Abundance products, as excellent quality nutrition is the foundation for healthy pets. www.creeksidefood4health.com
